

## 1 Bassino Court EATONS HILL, QLD

## 4.

## Pool side entertainer

Lifestyle: Immaculate in presentation, fully featured and proudly positioned on a 748m2 block, this deceptively spacious home is a welcome retreat. Architecturally designed to bring the outside in, while maintaining privacy; featuring open plan living, high ceilings and verdant views, with easy access to nearby nature walks. This home has everything you could hope for in quiet, relaxed living in a quiet leafy cul de sac.
