Wights Mountain Canadian Loft Barn

This lively home enjoys views across the mountains. Privately positioned off the road with paddocks and waterholes lining the driveway, all on 5 picturesque acres.

Rescued, re-milled & reused; the century old timbers change basic finishes into stunning focal points of the home. With walls, ceilings, bearers and staircases now works of art, evoking not only points of interest but also a sense of warmth and harmony. Raw textured materials & recycled timbers gives this home its own unique personality.

- * Loft bedroom/s (1 or 2)
- * Huge open living room
- * Exposed beams & stunning timber floors.
- * Sweeping cathedral ceilings
