

21 Nullanmanna Drive CAMP MOUNTAIN, QLD

Camp Mountain Lodge - Hugged by National Park

Imaginative and innovative in design this home is as individual and rare as its position. "Camp Mountain Lodge" is a charismatic Western Red cedar home that celebrates the tropical Queensland lifestyle, with exceptional indoor / outdoor integration and fabulous living.

The main residence is a 6 bedroom multi-level home, privately positioned off the road and hidden by a long drive. A separate tri-level New England Barn style shed and another unique octagonal purpose built music room and home theatre are additional building assets on the property.
