Your Acreage Wish List

This close to 5 acre rural retreat offers a tranquil place to raise a family or just relax under the mature trees and enjoy the panoramic views out to Clear Mountain and the D'Aguiar ranges.

Carefully and thoughtfully renovated this spectacular colonial style home offers all of the modern cons along with a timeless character emphasised by the wide wrap around verandas and manicured gardens.

The family home is located well off the road with formal path ways and gardens leading to the front door, this creates privacy from the outside world and yet total usability of the entire land for horses, cattle or simply enjoying what acreage living is all about.

Additional Property Features:

- Large dam
- Bore
- Full crime safe throughout
