## Holiday retreat than a home

More like a holiday retreat than a home, this picturesque property is located on 7,899m<sup>2</sup> of bushland. The generous entertainer's verandah is like an outdoor room, complete with TV fitting and views across the forest to Mt Coot-tha. It's the perfect spot to watch the native wildlife at sunset kangaroos, wallabies, lorikeets, even the odd echidna stops by. A separate undercover patio is ideal for barbeques, making this home an entertainer's dream. Close to the National Park, offering walking tracks and bike trails.
