Rare Opportunity

This is a rare opportunity to create your own tropical oasis on 1214m2 within walking distance of cafes, restaurants, National Parks and swimming holes. Potential leafy views across the valley to the Bay, and set amongst peaceful, subtropical surrounds, this private sanctuary plays host to a myriad of local bird life.

Escape the strain of city life and embrace the good life. Complete with rich, fertile soil, cooling mountain breezes and a covered deck with rock climbing walls to relax and unwind after a day of building or planting.

This east facing block has recently had power installed with a meter box in place and a driveway entrance is pre cut.
