Low Maintenance pool side entertainer - Ideal parkland position

Nothing to do except move in...

Positioned in a lovely tree lined street opposite reserve/parkland, this lowset 4 bedroom is designed for easy-care living. A modern open plan living area with a wood heater, spacious U-shaped kitchen finished with quality appliances and a feature splashback.

The open plan family/dining leads out to the large, undercover entertaining area, overlooking the sparkling waters of the in-ground pool. Freshly painted and carpeted throughout this home has everything you could hope for in a quiet, relaxed living street.

* Double lock up garage with rear and side storage and workbench (automatic remote opening)
